Dear Life Member,

Greetings from "Karnataka Medicolegal Society"

I'm happy to inform you that the 1st academic programme of KAMLS will be held at Police Training School, Channapatna on March 14th 2015. We have received an overwhelming response from other states of India for the programme. KMC has awarded 2 credit hours for the programme. The 2nd CME programme will be held at Raichur Institute of Medical Sciences, Raichur in the month of July. Date is not yet finalized. It will be intimated through website "www.kamls.in." The 23rd conference of KAMLS will be held at RajaRajeswari Medical College and Hospital, Bangalore from 19th to 21st Nov, 2015 (tentative dates). We are hopeful to get the credit hours from KMC for our academic programmes.

The preconference CME theme is "LEARNING FROM MISTAKES". The tentative topics are:

- 1) Mistakes in Medicolegal reports – My experience - by a Forensic expert.
- 2) Mistakes by doctors from FSL point of view – By Forensic Scientist.
- 3) Mistakes by medical witness – by retired high court judge.
- 4) Mistakes by doctors from investigation point of view – by retired police officer.
- 5) Mistakes in Hospital case records – by an advocate.
- 6) Mistakes by doctors in witness box – by a public prosecutor.

I request all the members to update your email address and other details with the present KAMLS office. I also request you to attend CME programmes, conference and support KAMLS by your participation. Ask your friends and colleagues to become member of KAMLS. The account details of KAMLS are as below.

Current Life Membership fee is Rs 2050/- . Registration form can be downloaded from KAMLS website or from JKAMLS.

If you have any queries, you are free to call me during office hours.

Name: KAMLS-2015.
